Thanksgiving is coming up and we are preparing for our annual Golden Feast! We plan to have all the fixin's - including yummy pies and desserts. You should find a flyer in your child's folder soon.

We would also like to say a huge Thank You to our church family here at St. John's and their lovely LWML ladies! We received so many wonderful gifts for our classrooms as a result of their InAsMuch program and we couldn't be more thankful!!!
